

Power Platform Services – HGV Access Platform Driver / Operator

We are looking proactive, enthusiastic candidates to join us and train as an HGV Access Platform Driver / Operator.

Power Platform Services is a small independent specialist in access platform hire based in Godstone, Surrey. We have been providing dependable access solutions to our customers for over 40 years and have an extensive fleet from electric scissor lifts to large HGV mounted platforms.

Successful candidates will be working with all the types of platform to include trailer driving to deliver smaller plant and HGV platform driving and operating at height. In addition operators are required to clean and help maintain the plant in good working order.

We pride ourselves in providing 100% customer service and candidates must have a positive approach, be prepared to work in all weathers, to meet our customer requirements.

Standard hours are 5 days per week, 07:00 – 17:00, however flexibility to work outside these hours and at weekends is required to fit with different types of contract.

In return we offer a competitive package, excellent opportunities for overtime, all necessary access platform training / IPAF qualification provided, full company workwear and personal protective equipment (PPE). Starting salary £30k - £35k depending on experience.

If you are looking for a new challenge and enjoy active and practical work, we look forward to meeting you.

Key Skills & Attributes:

- HGV (rigid) driver
- Professional and courteous communicating with customers
- Conscientious and shows initiative
- Comfortable working at Height
- Time management
- Physically fit
- Knowledge of hydraulics & electrics would be useful

All applications should be sent with a copy of your CV to info@powerplatforms.co.uk
